Advt. No. – 15/2026

Post-Doctoral Fellow (PDF) position available under Anusandhan National Research Foundation (ANRF)/ National Science Chair Project | Prof. A. K. Singhvi

PRL invites applications from eligible candidates for two (02) Post-Doctoral Fellow (PDF) positions under the ANRF National Science Chair award to Prof. A. K. Singhvi to work on Conjunctive use of Luminescence and Terrestrial Cosmogenic Radioisotope for Sediment Chronometry, Provenance and Residence Times.

Name of the Post: Post-Doctoral Fellow (PDF) under ANRF Research Grant.

No. of Vacancy: 2 (TWO)

Age as of the last date of application: 35 Years (maximum)

Eligibility & Qualification: Candidates with a Ph.D. degree (including those who have submitted their doctoral thesis) and experience using either or both Luminescence and Terrestrial Cosmogenic Isotopes to understand varied time scales in geomorphic processes are eligible to apply. Postdoctoral experience and a good publication record will be desirable.

Fellowship per month (Consolidated): Will depend on experience and will either be: Rs. 58,000/- p.m. (Ph.D. thesis submitted) or Rs. 61,000/- p.m. (Ph.D. degree awarded), or Rs. 67,000/- p.m. (Ph.D. + 2 years of postdoctoral experience). Additionally, House Rent Allowance, as per Government of India norms, will be admissible.

Tenure:

The positions are temporary and will be coterminous with the ANRF National Science Chair award. These will be renewable annually based on satisfactory performance.

Application Procedure:

Interested candidates may send a self-named single PDF comprising:

1. A letter of motivation detailing research interests,

2. Curriculum Vitae (CV), list of publications

3. Statement of expertise relevant to the ANRF project,

4. Scanned copies of relevant certificates and thesis submission proof.

5. Names and contact details (email and affiliation) of two referees who can provide an assessment based on direct professional interaction.

Applications should be sent via email to:

Prof. A. K. Singhvi, 2aksprl11@gmail.com

Last date of receipt of applications: 20th December 2026

Selection Process:

Shortlisted candidates will be interviewed online and, upon selection, are expected to join within one month of the issuance of the formal offer letter.
