ACKNOWLEDGEMENTS

Prof. Jitendra Parikh,

May I beseech you to accept my profuse thanks for your all supreme supervision of my thesis work. I find myself privileged to have been in association with you the last half a decade the reminiscences of which would reflect back time and again to remind me of that ideal teacher.

Rhama Venkataraman

CERTIFICATE

I hereby declare that the work presented in this thesis is original and has not formed the basis for the award of any degree or diploma by any University or Institution.
