Novel Optical Phenomena Induced by External Control Lasers

A THESIS

submitted for the Award of Ph.D degree of

Mohan Lal Sukhadia University

in the

Faculty of Science

BY

Anil K. Patnaik

Under the Supervision of

Professor G. S. Agarwal Director, Physical Research Laboratory

DEPARTMENT OF LASER PHYSICS AND QUANTUM OPTICS PHYSICAL RESEARCH LABORATORY, AHMEDABAD.

MOHANLAL SUKHADIA UNIVERSITY, UDAIPUR

Year of submission: 2001
