

Venus Science Conference 2024

Venus-SC 2024

23-24 September, 2024

Physical Research Laboratory, Ahmedabad

The Physical Research Laboratory (PRL) is organising the fourth conference on Venus Science (Venus-SC 2024) in online mode. It focuses on modelling, observations, data analysis, conceptual design and scientific experiments for Venus exploration.

The conference aims to have limited oral talks on the given topics, followed by panel discussion. Abstracts on the topics related to Venusian science and exploration techniques are invited for oral and short oral presentations.

Research Areas

- Interior, Formation and Surface Science
- Atmosphere, Clouds, Lightning, Airglow and Habitability
- Ionosphere, IMF, Effect of Solar wind and Interplanetary Dust
- Martian and Venusian Science: Similarity and Contrast

Scientific Organizing Committee

Anil Bhardwaj, PRL	U. Kadhane, IIST
Varun Sheel, PRL	Vikrant Jain, IITGn
D. Banerjee, PRL	K. Satheesan, CUSAT
D. Chakrabarty, PRL	S. Bhattacharya, SAC
Jayesh Pabari, PRL	Radhakrishna V., URSC
T. P. Das, SPO	M. V. Sunil Krishna, IITR
N. V. Rao, NARL	R. Satheesh Thampi, SPL
A. Maria, SPO	T. Upadhyaya, CHARUSAT

Local Organizing Committee

Aarti Yadav	Shipra
Aanchal Sahu	Rashmi
Shivam Saxena	Roshni M.
Vaibhav Rathore	Dinesh Mehta
Satyandra M. Sharma	Sonam Jitarwal

Convener: Jayesh Pabari

Secretary: Srirag Nambiar

Address: Planetary Sciences Division,
Physical Research Laboratory,
Ahmedabad-380058, India

Abstract Submission
15 Aug - 10 Sep, 2024
Acceptance Notification
15 September, 2024
