Treasure Hunt Competition organized by C-AKAM at PRL

On the occasion of the 74th Republic day and in continuation to the celebrations under Azadi Ka Amrit Mahotsav (AKAM), a Treasure Hunt event was organized at PRL Thaltej Campus on 26/01/2023. This event was devised with the idea to make all participants aware of various facilities, labs, nooks, and corners of the Thaltej Campus of PRL. In total 105 participants including permanent staff, research scholars, project associates, post-doctoral fellows, Trainees, and their family members – parents/spouses/kids (kids of age 10 years and above) took part in the event. The participants were divided into 20 teams and provided with links to clues managed through a google form. Each team was given out a unique trail covering the entire campus. The clues were thoughtfully assigned unique ids with the names of constellations and famous Indian Scientists. Each team was required to reach their designated locations and upload a selfie of the group at that location. Once uploaded, the team got the next clue using the google form. The teams who could complete the hunt correctly in minimum time were the winners. This event turned out to be a grand success with the help of committed volunteers.

Winners of the event are:

Place	Team No.	Names of the team members
1	8	Nirbhay Upadhyay, Joona, Sunil Kumar, Shubhendra N. Das, Karman Singh, Vikhyat Upadhyay
2	20	Sana Ahmed, Dibyendu Mishra, Ankit, Sona Panchal, Utsav Sharma
