

Subhasis Chaudhuri

Department of Electrical Engineering
Indian Institute of Technology, Bombay, Powai, Mumbai-400076
E-mail: sc@ee.iitb.ac.in

Subhasis Chaudhuri was born in Bahutali, India. He received his B.Tech. degree in Electronics and Electrical Communication Engineering from the Indian Institute of Technology, Kharagpur in 1985. He received the M.S. and the Ph.D. degrees, both in Electrical Engineering, respectively, from the University of Calgary, Canada and the University of California, San Diego. He joined the IIT, Bombay in 1990 as an assistant professor and is currently serving as a professor. He has also served as a visiting professor at the University of Erlangen-Nuremberg, Germany and the University of Paris - South. He is a fellow of the Alexander von Humboldt Foundation, Germany and the IETE, India. He is the recipient of IETE Prof. SVC Aiya Memorial Award in 2001. He is the co-author of the book 'depth from defocus: a real aperture imaging approach', published by Springer, NY in 1999. He has also edited a book on super-resolution imaging published by Kluwer Academic in 2001. His research interests include image processing, computer vision and multimedia.
