

PHYSICAL RESEARCH LABORATORY, AHMEDABAD

Summer Internship Programme

Duration _____

Certificate of Undertaking

(To be submitted via e-mail, a signed and scanned PDF file will be accepted.)

I, _____ hereby agree to abide by the following rules in case of my selection in PRL's summer internship programme for the period from _____ to _____.

1. PRL will decide the duration of the programme. A student will be issued a certificate of internship completion only after submitting the Project Supervisor's project completion report to the office of the Dean, PRL.
2. The research work carried out by the student during the course of the internship will remain the sole property of PRL.
3. The student will be subject to performance reviews as and when deemed necessary by PRL.
4. Publication(s) (of any kind), presentation at national/international conferences/meetings/workshops/symposium/print media of the research material generated under the internship program requires prior written permission of PRL.
5. Any above-mentioned publication(s) should contain explicit acknowledgement to PRL.
6. The final, binding decision regarding any publication-related issue of the work carried out under the guidance of the PRL supervisor will rest with PRL.
