	As an OBC candidate who secured 40% marks in each section of the PRL examination, and disqualified in the published results, presumably due to the incorrect application of a 50% cut-off in advt. No.09/2022 dated 09/09/2022 and Corrigendum No.09(01)2022 dated 26/09/2022. I have attached relevant documents including PRLs previous recruitment Advt. No.09/2022 OBC cut-off email (sent by the PRL recruitment cell).	
01	A list of candidates, including their roll numbers and categories, who secured 40% or more marks in each section but were disqualified due to the application of a 50% cut-off for OBC candidates, which is against the originally stated cut-off of 40%.	In the absence of Registration/Roll No. of a candidate or valid email id, it is not possible to verify the records. It is also confirmed from the available records that no candidate named Ajay Anand having email id ajayanand654@gmail.com is in the list of candidates appeared for the written exam. Hence, furnishing of competitive exam/result related information to a person other than the candidate is not considered as per Sec 8 (1) (j) of RTI Act 2005. "Information which relates to personal information the disclosure of which has no relationship to any public activity or interest, or which would cause unwarranted invasion of the privacy of the individual unless the CPIO or the SPIO or the appellate authority, as the case may be, is satisfied that the larger public interest justifies the disclosure of such information."
02	The basis and reason for the alteration of the sectional cut-off from 40% to 50% for OBC candidates after the results were published.	
03	A copy of any communications or minutes of meetings where the decision to change the cut-off criteria was made.	
04	Any official correspondence or orders issued that justify the deviation from the advertised cut-off norms for OBC candidates.	
05	The total number of candidates who qualified in the examination based on the original 40% cut-off criteria for OBC candidates.

No.09/2022 dated 09/09/2022 & corr.No.09(1)/2022 dated 26/09/2022 and PRL Advt.05/2024 dated 09/03/2024.</p> <p>I seek the clarification on the following points: Are candidates belonging to the OBC (Other Backward Classes) and EWS (Economically Weaker Section) categories treated as a "reserved category" for these exams? If yes, are the minimum sectional qualifying marks, which are set at 40% for reserved categories according to the advertisement, applicable to both OBC and EWS candidates?</p>	<p>OBC is treated as reserved category and sectional qualifying marks of 40% is applicable for OBC.
