

# USO School Outreach

Udaipur Solar Observatory  
School Outreach – 3  
Heritage Girls School  
Dewali, Udaipur  
11/02/2019

On the occasion of the **International Day of Women and Girls in Science**, the Women's team of USO visited the **Heritage Girls School**, an all-girls residential school, about 20 km from the Udaipur City on the Nathdwara Highway.

The 3 hour programme (from 3-6pm) included the following talks.

**The International Day of Women and Girls in Science** by Prof. Nandita Srivastava

**Introduction to Our Star: the Sun** by Ms. Sushree Sangeeta Nayak

**Women's contribution to Science and Technology Development** by Ms. Bireddy Ramya

**How to become a Scientist: career opportunities for research** by Ms. Kamlesh Bora

A poster was presented by Ms. Anisha Kulhari on **Few Women Scientists** as well as facts and statistics of the participation of women in Science.

There were nine presentations on two topics which were given by the school children – **Efforts to Enhance the Contribution of Women in Science** (Class XI & XII), and **Space Exploration Benefits our world** (Class IX and X). The best presentation from each category was given a prize.
